

Baguio Jhaymes Harold

✉ jhaymesharold.baguio1@gmail.com 📞 09672369384 📍 San Pedro, Laguna

Profile

Driven and trustworthy IT student with practical knowledge in basic networking, hardware troubleshooting, and computer system maintenance. Completed Google IT Support program training and holds a TESDA NC II certification in Computer System Servicing. A quick learner, flexible, and eager to gain practical experience in technical troubleshooting, helpdesk operations, and IT support. Currently seeking an IT internship or on-the-job training to apply my technical skills and contribute to daily IT tasks.
